

www.herbs.org.nz

The Herb Federation of New Zealand is dedicated to promoting the knowledge, use and delight of herbs through educational programs, research, and sharing the experience of its members within the federation and throughout the community.

MEMBERSHIP

Membership of the Herb Federation of New Zealand Inc is open to individuals and groups and societies that have an interest in the knowledge and use of herbs. Membership entitles the individual or organisation to the following benefits:

- A Bi-ennial Conference
- A quarterly magazine
- Access to national and international herb contacts
- The Herb Awareness Week Poster and Data Sheets for the current year
- The use of a national herb library for reference and borrowing
- Access to the national seed bank
