Registration closes 1 November.

We have worked hard to keep costs as low as possible while ensuring you get value for your experience.

We realise many people will only participate in the Monday & Tuesday events. We have however, provided full-length practical workshops on Wednesday morning, and encourage those who can to enjoy the opportunity to learn a topic in more detail.

If you have difficulty navigating the booking registration online form, or need to pay online or via your bank instead of with a credit or debit card, please contact HerbConf23@gmail.com
